

# Leukemia Fellowship Program

## Class of 2024-2025

---

### **Niranjn S Khaire, MBBS, MD, DM**

Clinical Fellow in Leukemia

MD Anderson Cancer Center Leukemia Fellowship Program  
**2024-2025**

**Niranjn Khaire, MBBS** is a first-year Fellow in the Leukemia Clinical Fellowship Program at The University of Texas MD Anderson Cancer Center, joining in July 2024. Dr. Khaire plans to pursue an academic career which allows a balance of clinical practice along with clinical and translational research activities. Dr. Khaire's areas of interest include pursuing novel therapeutics in the field of acute leukemia and MDS.

Dr. Khaire obtained MD Internal Medicine as well as DM Hematology from Post Graduate Institute of Medical Education and Research, Chandigarh, India. Dr. Khaire is a former recipient of the Kataria Gold Medal for the best outgoing post graduate student of his class in PGIMER Chandigarh.

Prior to joining the Leukemia fellowship program, Dr. Khaire completed a two-year clinical research fellowship in Allogeneic Stem Cell transplantation at Princess Margaret Cancer Center, Toronto, Canada in 2022-2024. He received the Tannock Fellowship Award in 2022-23 as well as the Hold'em for Life Oncology Fellowship 2024-25 with both the awards allowing him to secure funding for ongoing clinical and translational research projects.

Dr. Khaire is an amateur basketball player, loves to swim and is fluent in three languages.
