Making Cancer History®

Sawyer Biliary Pancreatic Symposium

Goal

The goal of this symposium is to understand how cholangiocarcinoma and other biliary pancreatic cancers can be best managed by clinicians in this area. During this international symposium, the experts from various regions of the world will share the findings of their research, clinical experience, and recommendations regarding these cancers. We expect this symposium will change the practice of the attendees who will acquire the state-of-the-art clinical information about the diseases, thus improving the overall survival of patients with the diseases.

Educational Objectives

After attending the conference, participants should be able to

- Apply the best strategy to establish accurate and prompt diagnosis to improve patient outcomes (Knowledge, Competence, Performance, Patient Outcomes);
- Perform appropriate endoscopic procedures (Knowledge, Competence, Performance);
- Interpret the strengths and limitations of different approaches in managing biliary obstruction (Knowledge, Competence);
- Incorporate the best available chemotherapy regimen and radiation treatment in patient care (Knowledge, Competence, Performance);
- Assess surgical candidates and provide appropriate referral to the specialty in a timely manner to improve patient outcomes (Knowledge, Competence, Performance, Patient Outcomes).

Educational Methods

THE PARTY OF THE P

Lectures – Panel Discussions – Case Studies - Question and Answer Sessions

Target Audience

This symposium should be of value to gastroenterologists, medical oncologists, surgeons, interventional radiologists, and internists.

Evaluation

A course evaluation form will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

Accreditation/Credit Designation

Physicians

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 7.25 *AMA PRA Category 1 Credits*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Certificates awarding $AMA\ PRA\ Category\ 1\ Credit^{TM}$ or certificates documenting attendance will be distributed to participants as they depart the symposium. To obtain a CME certificate, physicians must submit a completed evaluation questionnaire and a CME Verification Form.

Upon request, a record of attendance (certificate) will be provided on-site to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

SCHOLARSHIPS FROM

John Stroehlein Distinguished Professorship

and

Charles Butt

and

H-E-B Gastrointestinal Cancer Prevention, Research, and Education Program

for trainees, endoscopy nurses and technicians, MLPs and endoscopy research teams to benefit from this program.

H-E-B Gastrointestinal Cancer Prevention, Research, and Education Program is an endowment to The University of Texas MD Anderson Cancer Center.

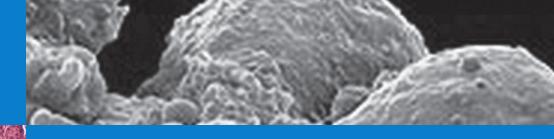

If interested in applying for this scholarship, which covers registration to the symposium, please check the box on the registration form.

Program

Saturday, December 3, 2016

7:00 a.m.	Registration/Exhibits/Continental Breakfast		NGIOCARCINOMA II s: Isaac L. Raijman, MD; Sandeep Lahoti, MD
7:50	Welcome and Introduction of Mr. Kenneth Sawyer & Ms. Becky Sawyer Jeffrey H. Lee, MD, MPH Welcoming Remarks	10:30	A Systematic Approach to Effective Biliary Drainage in Cholangiocarcinoma Dong Wan Seo, MD, PhD
CHOLAI	Manoop Bhutani, MD NGIOCARCINOMA I	10:45	Let's Look into the Bile Duct - Cholangioscopy Venkataraman Raman Muthusamy, MD
	s: Gottumukkala S. Raju, MD; William A. Ross, MD	11:00	Who Should We Refer to Interventional Radiology for Biliary Drainage? Joshua D. Kuban, MD
8:00	Difficulties in Establishing the Diagnosis and Managing Perihilar Cholangiocarcinoma Jeffrey H. Lee, MD, MPH	11:15	Innovative Endoscopic Management of Cholangiocarcinoma Dong Ki Lee, MD, PhD
8:15	The Conundrums and Challenges in Managing Cholangiocarcinoma at the Community Hospital Harish K. Gagneja, MD	11:30	Questions and Answers With Panel
8:30	The Promise of Advanced Imaging Eric P. Tamm, MD		Lunch (Provided) NGIOCARCINOMA & PANCREATIC CANCER s: Nirav Thosani, MD; Andrew Dupont, MD
8:45	The Changing Epidemiology of Biliary Tract Malignancies and Evaluation of Staging System for Cholangiocarcinoma Boris Blechacz, MD, PhD	1:00 p.m.	Compare and Contrast: Biliary Drainage by ERCP vs Percutaneous Approach Brian Weston, MD
9:00	The Role of Neoadjuvant/Adjuvant Therapies in Patients with Resectable Cholangiocarcinoma/Genetic Sequencing/Immunotherapy	1:15	Is Local Endotherapy Effective for Cholangiocarcinoma? David Carr-Locke, MD
9:15	Milind Javle, MD The Role of Radiation Therapy in Cholangiocarcinoma Sunil Krishnan, MD	1:30	Should Intrahepatic Cholangiocarcinoma Be Considered for Liver Transplantation? R. Mark Ghobrial, MD, PhD
9:30	Questions and Answers With Panel	1:45	Advances in Endoscopic Biliary Drainage for Pancreatic Cancer Priya A. Jamidar, MD
10:00	Break/Exhibits	2:00	Endoscopic Gastrojejunostomy — Is This Ready for Prime Time Yet? Todd Baron, MD

Registration Information

On-site registration opens at 7:00 a.m. on Saturday, December 3, 2016. The symposium will begin at 7:50 am on Saturday, December 3, 2016, and adjourn at 5:00 p.m. Advance registration is encouraged as space and materials are limited. Please see the registration form for applicable fees.

The full conference registration fee includes the tuition, program syllabus, continental breakfast, breaks, and lunch.

The deadline for advanced registration is Friday, November 11, 2016.

There are three ways to register:

- 1. On-line at www.mdanderson.org/conferences
- 2. Mail to:

CME/Conference Management – Unit 1781 The University of Texas MD Anderson Cancer Center P.O. Box 301407, Houston, TX 77230-1407

3. Fax to: 713-794-1724

When registering online a confirmation letter will be automatically e-mailed to the e-mail address you list on the registration form. If you register by fax or mail, a receipt/confirmation letter will be sent to you within ten working days of receipt of your registration.

The Department of CME/Conference Management reserves the right to cancel activities prior to the scheduled date, if low enrollment or other circumstances make it necessary. Each registrant will be notified by mail, e-mail, or at the phone or fax numbers given on the registration form. In case of activity cancellation, the liability of the Department of CME/Conference Management is limited to the registration fee. CME/Conference Management will refund the full registration fee.

The Department of CME/Conference Management reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Special Assistance

Contact the Department of CME/Conference Management at 713-792-2223 or toll free at 866-849-5866 if you have any special dietary or ADA accommodation needs.

Accommodations

- A block of rooms has been reserved for conference attendees at the Houston Marriott Medical Center, 6580 Fannin Street, Houston, Texas.
- Early hotel reservation is suggested. To make reservations, please call Reservations at 713-796-0080 and identify yourself as part of the Sawyer MD Anderson Biliary Pancreatic Symposium.
- The special meeting rate is \$99.00 single or double occupancy.
 Please add 17% Texas State and local taxes. Reservations and deposits received after November 11, 2016 will be confirmed if space is available and at current hotel published guest room rates.

Ground Transportation

- Houston is served by two airports, George Bush Intercontinental (IAH) and William P. Hobby (HOU).
- Taxicabs are available at an estimated cost for \$50-60, to or from William
 P. Hobby Airport or George Bush Intercontinental Airport.
- Super Shuttle operates a shuttle bus between George Bush
 Intercontinental Airport and the Houston Marriott Medical Center
 for \$27 one-way and \$54 round-trip. For more information, call
 713-523-8888 or toll-free at 800-258-3826 or on-line at
 www.supershuttle.com.
- Super Shuttle operates a shuttle bus between William P. Hobby Airport and the Houston Marriott Medical Center for \$24 one-way and \$48 round-trip. For more information, call 713-523-8888 or toll-free at

Physician Payments Sunshine Act

MD Anderson complies with the Physician Payments Sunshine Act as part of the Affordable Car Act (ACA). Accordingly we may be required to collect information on transfer of value provided to any covered recipient under the ACA.

The University of Texas MD Anderson Cancer Center has implemented a process whereby everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships with any commercial interest that could potentially affect the information presented. MD Anderson also requires that all faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Agendas are subject to change because we are always striving to improve the quality of your educational experience. MD Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, schedule conflicts, and so forth.

Photographing, audio taping and videotaping are prohibited.

Please let us know what specific topics, issues or questions you wish to see addressed or emphasized in this activity. Fax or e-mail CME/Conference Management. All responses will be forwarded to the Program Chairs for consideration.
